ORDER

Defendants

GERARD E. LYNCH, District Judge:

Plaintiffs' application made by July 24, 2009, letter, to adjourn the deadline for the submission of expert reports, as well as all other discovery deadlines that were established by the July 2, 2009, amended case management plan, is denied. Both the extension of discovery and the specific dates by which the parties would submit expert reports have already been contested by the parties and resolved by this Court in a June 4, 2009, order and a June 5, 2009, subsequent conference.

Plaintiffs' motion to consolidate this action with Arista Records et al. v. Limewire, No. 06 Civ. 5936, or in the alternative to stay the instant proceeding until 60 days after the disposition of the cross-motions for summary judgment in Arista Records is also denied, without prejudice to renewal after the close of discovery in this case, currently scheduled for October 14, 2009.

The Clerk is respectfully directed to close plaintiff's motion (Dkt. # 23).

SO ORDERED.
